October 3: Lake Wildwood Car Show

Last year the GraNeva A's participated in the LWW Car Show. It was the first club activity after the pandemic shutdown, and everyone enjoyed the event. This year the LWW car show is on Sunday October 3rd and we have been invited to participate again. The organizers felt the

Model A's were a popular addition to the show. Registration for the car show is \$10. More details will be posted here as they become available. Please note, the location is Commodore Park. The following week the Club 60th Anniversary picnic will be at the same location. Send a note to granevaas@icloud.com with any questions. Specify you are inquiring about the LWW car show. Bill Yanko will assist with car show registration for those interested in attending.

October 16: Graneva A's 60+ Anniversary Celebration

Last year was the 60th Anniversary of the GraNeva A's Model A Club, but the celebration was interrupted by the COVID pandemic. So, this is the make-up year with a 60+ celebration. The picnic is being hosted by the club, but it's BYOB for any high-octane fuel. Rumor has it there will be Hubley Car races included. Email: granevaas@icloud.com with questions. Specify you are inquiring about Anniversary Picnic.
