

PANDEMIC SPECIAL

Our fearless Newsletter editor has creatively produced a newsletter every month during the CoVid-19 pandemic, even when nothing was happening. In spite of her heroic efforts, there is a limit to what one can say about "nothing happened". Most club members are probably vaccinated now and spring has arrived. The Model A's are ready to go. Stay tuned! Better times and new adventures are coming soon.

PS

Hello all you lovely members!

I thought I'd throw a twist to this month's newsletter. Hope you enjoy it. Notice no Advertisers and first digitally sent. Boy are we "techie" now.

Sharon 

This month's President's Message for March 2021

Dear Club,

Spring started a bit chilly but it appears that things are quickly warming up. I love that Winter went out with a fight and that we got at least a couple of decent snow storms. We've been in the same home for 18 years and only once have the daffodils had a season without snow. Progress on the Model A's is slow and steady. Got the Salt Truck and Woody out. What a joy to drive as they are each quickly approaching 100 years old.

That is definitely food for thought. We're gearing up for Spring Break and hope to see you all soon. Now for something fun... Sharon is going to give us a throwback newsletter. So sit back, relax, and enjoy a taste of what we did in 2012. For some of you this will be the first time you've seen this content. For the rest of us it's the first time we'll be seeing it digitally.

Godspeed,

AJ
